

Data Consent Form

This form must be completed for both Grant Applications and Instrument Loan Applications

In order to help you, we need to store information about you. The Data Protection Act 1998 says we must get your consent to do this.

Everything you tell us will be treated confidentially.

Because we may need to contact other people in order to help you (for example, other funding organisations) we need to ask for your consent.

Please fill in and return this form with your application.

If applying electronically, as long as the document is 'signed and dated' and attached to a covering email from you, it is acceptable.

The person signing the form must be 18 years or over. Parents/guardians should sign for those below that age.

1. I consent to the Radford Charitable Trust recording personal information about my family and myself.
